

# VISUAL ART A-LEVELS @ WELLING

Here at Welling we offer two A-Level art subjects:

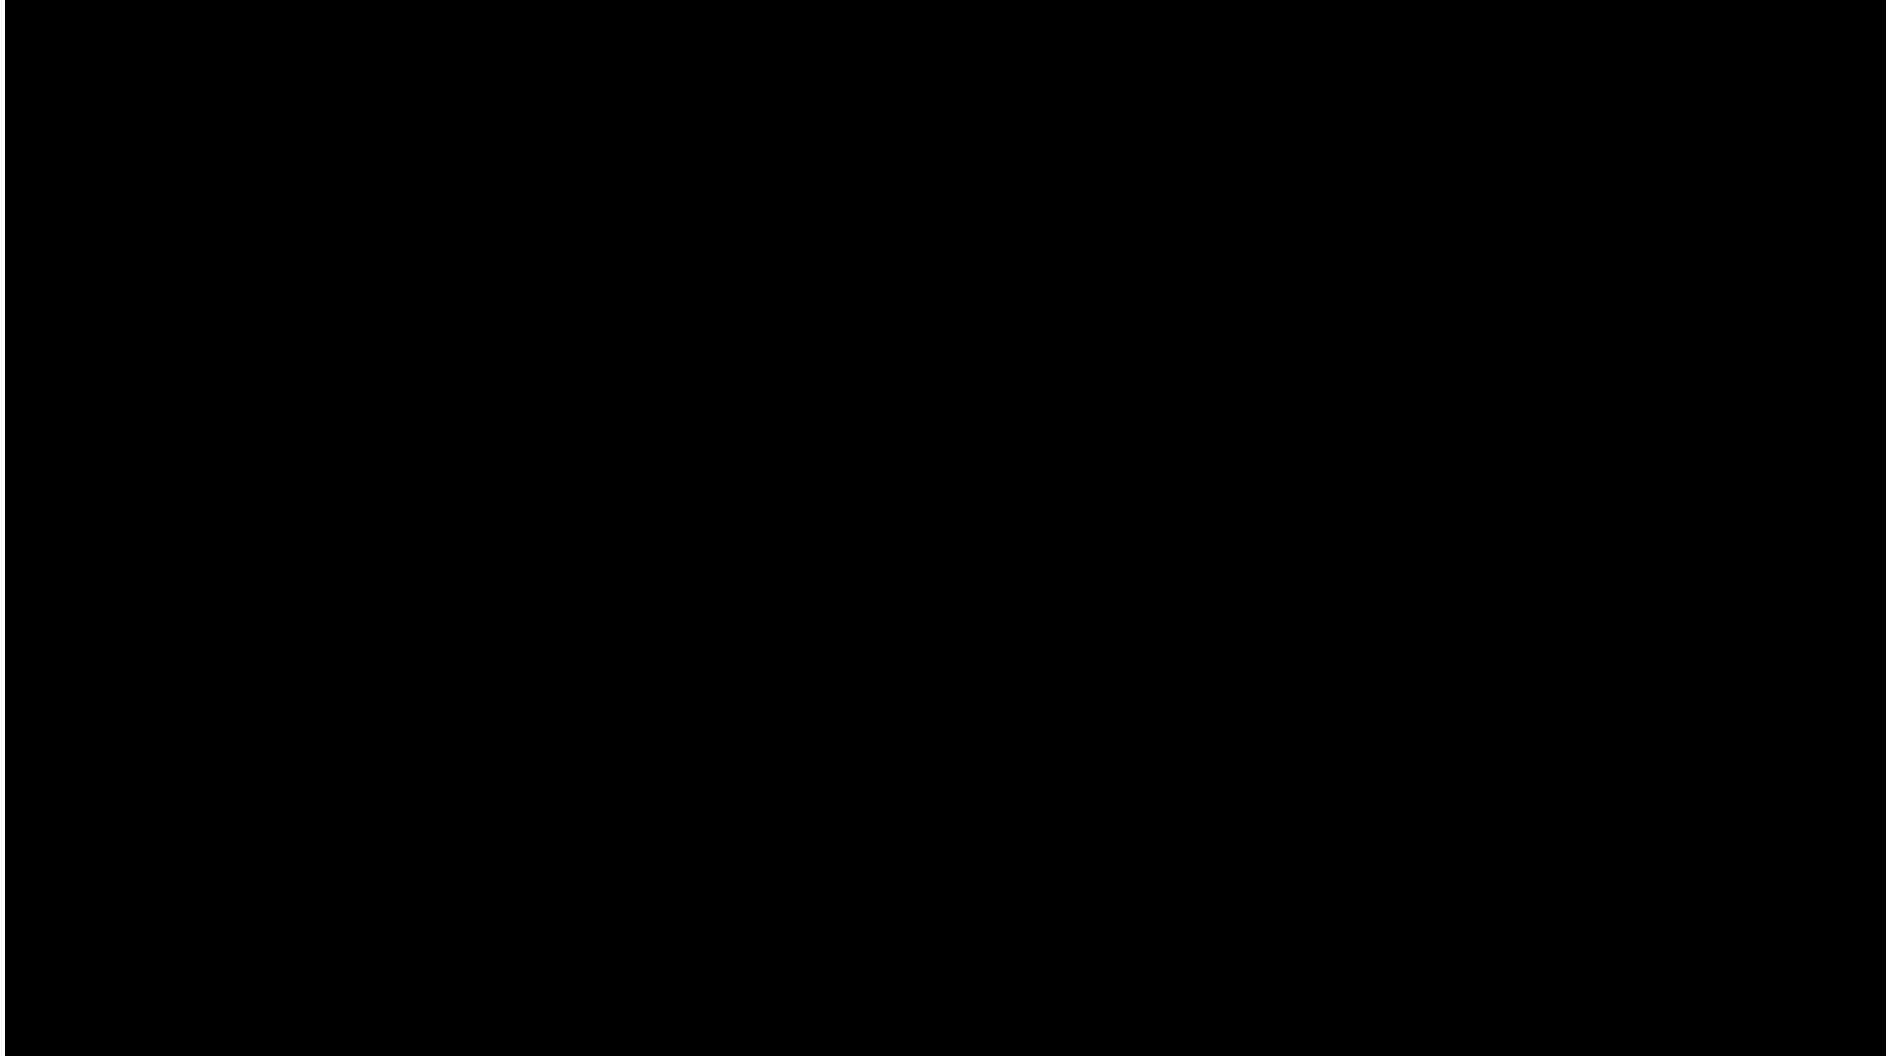

- Fine Art
- Photography

Both are demanding creative and enjoyable A-Levels which will see you build your knowledge and skills from GCSE to a more in depth and refined level, turning you into a highly thoughtful, imaginative and skilful maker.

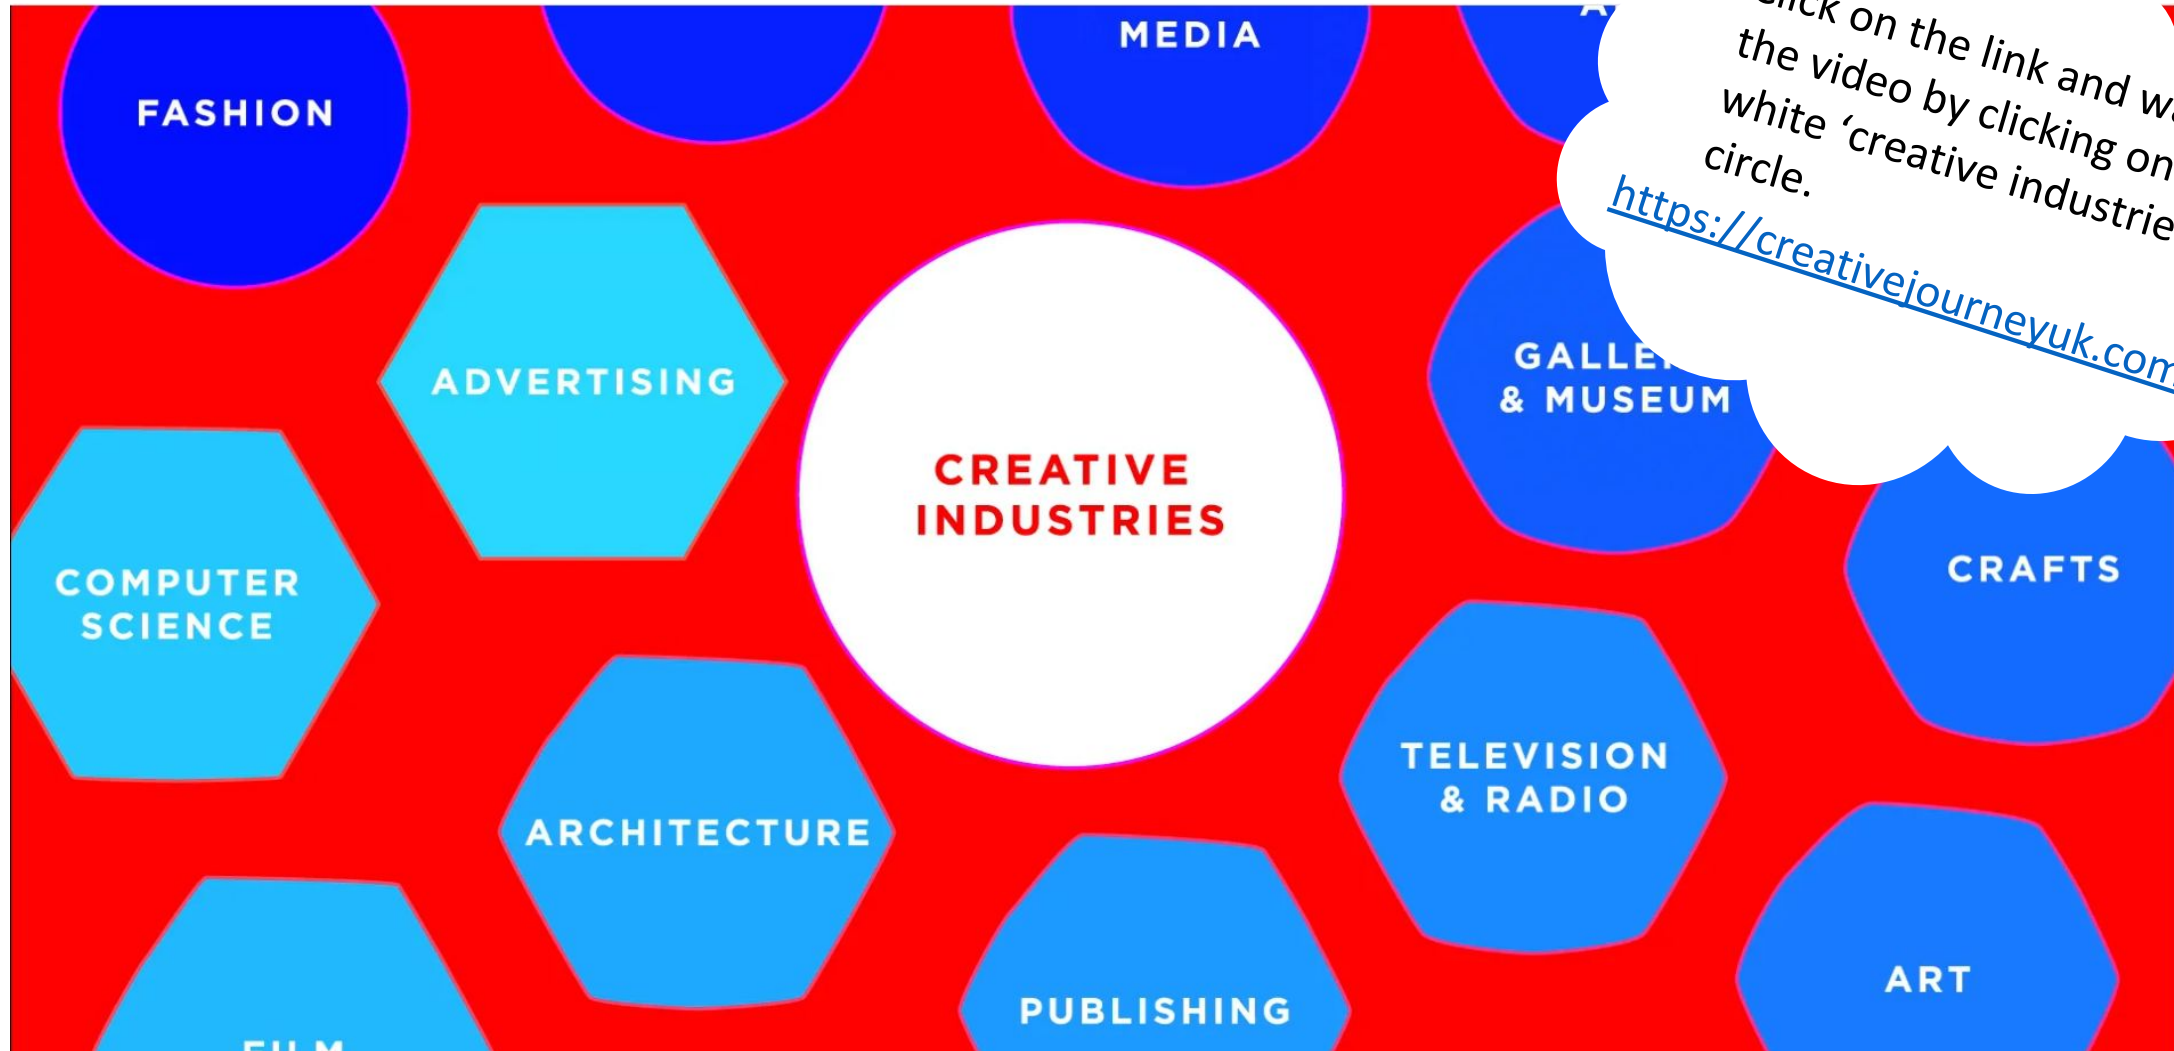

**WELLING**SCHOOL  
Specialist  
art college

“Why continue to study a visual arts subject into A-level?”

“But what jobs does studying art get me...I don't want to be an artist”

Click on the link and watch the video by clicking on large white 'creative industries' circle.

# SO WHAT DO YOU THINK NOW?...

even if you do or don't want to study visual arts at University or a job in the art sector, **the ability to think creatively will help you in whatever you chose.** Picking an art A-level to make your choice of 3 will complement your chosen pathway whether art related or not.

If you want more information or to discuss things further, please speak with your current Y11 art subject teacher or speak with Mr Pitt the Head of art /email him on [adrian.pitt@wellingschool-tka.t.org](mailto:adrian.pitt@wellingschool-tka.t.org)

Or speak with any art staff
