

OCR CAMBRIDGE TECHNICAL HEALTH & SOCIAL CARE LEVEL 3

COURSE OUTLINE

The Cambridge Technical Certificate is a broad-based Health and Social Care course which will give you the skills and knowledge that you will need for a career in this industry. Cambridge Technicals are accepted by the universities and are excellent grounding for a health & social care-related degree, however, they will also give you the vocational experience for you to go straight into the workplace. With the demographics in the UK changing rapidly and the population living longer, the health and social care sectors will experience huge growth over the next few years.

The Cambridge Technical Extended Certificate is graded as Pass, Merit, Distinction or Distinction*

SKILLS DEVELOPED, PROGRESSION AND POSSIBLE FUTURE CAREERS

The Cambridge Technical in Health and Social Care focuses on the skills, knowledge and understanding that universities and employers demand. This includes, Communication, Organisation, Planning and Research.

Possible future careers:

- Nurse
- Occupational Therapist
- Social Worker
- Primary Teacher
- Secondary Teacher
