

25 January 2022

Dear Parent/Carers

**RE: Move to Remote Education for Year 10 and 8 Students**

Further to my Covid-19 letter dated 25 January 2022, we have made the difficult decision to send Year 10 and 8 students home this afternoon. Like other local schools who have recently had to take similar action, please be assured that this decision was not taken lightly and is always a last resort for us.

The level of staff covid-related absence this morning means that we are not able to operate the school day in a safe and meaningful way. When making these sorts of decisions we have to take into account not only having enough adults to cover the lessons for staff unable to come to school but also the safe supervision of students while moving around the school and also during break and lunchtimes. We also have to consider how effectively we could manage emergency situations such as fire evacuations, etc. should the need arise.

Remote learning for Year 10 and 8 students will commence on Wednesday 26 January and be in place until Friday 28 January. We will continue to monitor the situation and confirm return dates with you as soon as we are able to.

**How Lessons will Work:**

Students need to access work linked to the current school curriculum via their google classrooms, the same way they accessed learning during the previous lockdown. Work will be set by the classroom teacher for each timetabled lesson and should be accessed at the time they would normally attend that subject in school. Teachers will be 'live' (via the google meets link in the classroom) to talk through the learning of the lesson and answer any questions for the first 15 minutes and aim to include live or interactive content to support the learning. Throughout the lesson time, the students will be able to contact the teacher via email to ask any further questions they might have. Students would have been automatically enrolled to their google classroom last half term. These start with 'WEL' in front of their class code, e.g. 'WEL-8yEN1' for year 8, Y side, set 1 English. This will be on their google classroom page. If your child is having difficulties accessing their google classrooms, please email [google@wellingschool-tkat.org](mailto:google@wellingschool-tkat.org) for support. Please click the link below for help with logging into Google classroom:

**Computer and Internet Support:**

Most students who needed to borrow a computer from us during the last period of remote learning, still have their Chromebook. If your child returned it to us or if you have joined the Welling School community since then and need to discuss how we can support you, or if you need technical support with google classrooms, please email: [google@wellingschool-tkat.org](mailto:google@wellingschool-tkat.org)

**Building Successful Futures**

**Students Eligible for Free School Meals:**

All families who are usually in receipt of free school meals will receive a voucher through the post which will cover three day of lunch funds.

Again - thank you for your understanding and support. We will be back in touch on Thursday afternoon to confirm arrangements for week commencing Monday, 31 January. Please do not hesitate to get in touch with us if there is anything else we can do to support you or your child while they are working at home.

With very best wishes

Yours faithfully

A handwritten signature in black ink, appearing to read 'R. Pett', written in a cursive style.
