

18 March 2020

Dear Parent/Carers

Welling School's Study Hub

Further to my letter of 17 March 2020 which informed parent/carers that the school will be launching a website to help students that are self-isolating, I can confirm that this website has gone live and can be found here:

<https://sites.google.com/wellingschool-tkat.org/welling-homestudy>

You will also be able to access this via the existing school website.

On this website there is general content available for all students and specific content available for each year group. On the home page of this website is an enquiry form that parent/carers can fill out if you have any queries regarding the Study Hub. Please do not email teachers directly.

Parent/carers of students self-isolating are reminded that if their child is well enough, they should continue with their studies. Written work should be completed and will be requested by your child's form tutor when they return to school.

We are aware some students may not have access to the internet and whilst we have been collecting this information we ask that you contact the school reception and we will arrange for a work pack to be provided.

With very best wishes.

Yours faithfully

Mr R Pett
Headteacher
