Dear Parent/Carer

## Online Survey

We've all had to adapt to new ways of working, so I wanted to take the opportunity to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

To help us make sure we are providing the right support for you and your child, we would like to know your thoughts on our approach to home learning.

This will help us to find out what we are doing well and where we could do better as well as making sure that we are meeting your needs and the needs of your child.

Please take the time to complete this survey by following this link: <https://forms.gle/aqqnxkrZL9UN75iB9>  
It should take no longer than 5 minutes to complete.

We are also asking students to complete a separate survey to share their thoughts. They will receive a link to this survey via their school email address but it can also be accessed by following this link:

Your feedback is very important to us.

Please fill out the survey by **Monday, 8th February**. Your replies will be treated in the strictest confidence and a summary of the surveys will be shared after February half term.

With very best wishes.

Yours faithfully
