Dear Parent/Carers

Anti-bullying - New Bullying Report Form

Mr Pett recently wrote to you about our new Anti-bullying Policy which is now in full effect. As part of our work to ensure that Welling is a safe environment for all our students we have also redesigned our Bullying Report form and implemented a more efficient system of following up on reported incidents of bullying.

Any member of the school community - student, parent or member of staff - can access the form to make a report if they are concerned about themselves or someone else. Reports are sent directly to Pastoral Teams to follow up appropriately. The link for the new form is on the [Anti-bullying website](#) (linked to the main school website) and can also be found [here](#).

We would like to gather parent views on our new policy and the impact that it is having. I would be very grateful if you would fill out this short survey by Friday 19 November 2021:

We will send out further reminders to complete the survey and have deliberately put the closing date later in November to allow more time to see our new Anti-Bullying Policy in action.

If you have any concerns about your child's welfare at school please contact their Form Tutor, Head of Year or Care & Guidance assistant in the first instance.

Yours faithfully

Mrs L Otti
