Dear Parents, Carers and Students

### **Year 11 & 13 Results Day 2022**

As the current academic year draws to a close, I know that the thoughts of parents and students will turn to the A Level and GCSE exam results this summer. We are delighted to announce that this year we will be going back to the traditional method of students coming into school to collect the A Level and GCSE results and we very much look forward to sharing student success with you face to face.

The dates of the A Level and GCSE exam results collection are as follows:

#### **A Level Results Day - 18th August (9.00am - 11.00am)**

Students will be able to arrive from 9.00am to collect their results up to 11.00am and if students are not able to collect their results in person, then the results will be posted and you should receive them the very next day so please ensure that the address at the top of the letter is correct. The Sixth Form team will be on the school site if you have any questions about your UCAS application. However, please discuss your application with the university directly as we are not able to discuss student grades with universities due to data protection.

#### **GCSE Results Day - 25th August (9.00 - 12.00am)**

Students will be able to arrive from 9.00am to collect their results up to 11.00am and if students are not able to collect their results in person, then the results will be posted and you should receive them the very next day so please ensure that the address at the top of the letter is correct. The Sixth Form will be on site to discuss or confirm your place at Welling Sixth Form and there will be staff available to answer any careers related queries that you may have.

Please note that reports can only be given to the named candidate. If you would like someone to collect results on your behalf, please make sure that they have written, signed permission from you.
