Dear Parents/Carers

As we move closer to the Easter break I am getting in touch to share some news with you.

As many students and families are aware I bought a house in West Sussex in January of this year and have been commuting each day to Welling. This gives me a journey time of around 1hour and 40 minutes each way - I am sure you can see that doing this in the long term is not sustainable.

I have been successful in obtaining a new position at another TKAT school closer to my new home. This means that my last day at Welling School will be Friday 22nd April 2022.

I would like to take this opportunity to thank the parents/carers for your support whilst I have had the pleasure of working with the year group and wish you the best of luck for the future.

Yours faithfully

*R Ward*
