Dear Parent/Carer,

Rewards badges and Rewards Shop

I am writing to you to inform you of our rewards programme that students can enjoy after half term. At Welling School, we believe that rewards are an essential part of a student's experience and learning.

Students receive 'spendable' points for their rewards and these points can be redeemed in the Rewards Shop via the Class Charts app. There are lots of items on offer, and students can choose to save their points or spend them as and when they wish.

Below is a list of the items that are available all year round:

Item	Cost (spendable points)
£10 Bluewater, £10 Nandos, £10 Cineworld voucher, £10 xBox Live voucher	750
Nike Premier League Football	750
Changeable pen (4 colours)	150
Colouring pencils	150
Pack of 4 highlighters	225
Scientific calculator	375
Erasable pen	150
Biro pens	25
Sweets	75

If a student would like to order an item, they can do so from November 2nd using their Class Charts app. If a student needs their Class Charts login, they can get this from their tutor. After an item is ordered, it will be given to the student that week via their tutor.

There is a limited stock of each item and so it will operate on a first come, first served basis. Once items are out of stock they will be replaced as soon as possible.

As well as the Rewards Shop, students will also receive badges for reaching behaviour points milestones throughout the year. Below are the milestones that students need to meet in order to receive a badge for this academic year.

Bronze Badge	200 rewards points
