Dear Parent/ Carer

### Student Rewards

In light of the current situation, we wanted to inform you that students will still be rewarded for their continued work during their online learning in order to recognise the efforts that they are applying to their remote learning. We believe that students should be regularly and fairly rewarded for their achievements at this challenging time.

Students will continue to be rewarded on Class Charts for meeting certain criteria with their work, meeting the expectations of working with Google Classroom and for any outstanding work and contributions to the school bulletin. A reminder of rewards on offer are detailed below:

<b>R1 (2 points)</b>	Given for things such as a correct answer, a positive contribution, completion of a piece of work, a positive attitude shown, kind or helpful behaviour, etc. Teacher records on class charts.
<b>R2 (5 points)</b>	Given for a more significant contribution, linked to school values. Teacher records on Class Charts.
<b>R3 (20 points)</b>	This will be awarded for a single outstanding act, either in the classroom, around the or in the wider school community. Teacher records on Class Charts and an R3 Certificate is issued by the Headteacher and presented by the Head of Year.

The benefit of these rewards is that it provides instant recognition of a student's achievement. Students can accumulate as many points as possible and their progress can be monitored on Class Charts and receive further recognition at the following milestones:

**200 points = Bronze Badge**

**400 points = Silver Badge**

**600 points = Gold Badge**

**1000 points = Platinum Badge**

During this time when the school is closed, students will be notified of a badge milestone via a certificate sent to their school email account. They will then receive their badge when we return to school. Students who receive an R3 reward will also receive their R3 certificate via email from their Head of Year or the Head of Faculty for the subject it was given out by.

All reward points earned during this time will be spendable in the school's Rewards Shop when students return to school. These will be combined with any existing points that students have achieved.

Please be aware that the school rewards shop is currently closed. Any orders that have been placed will be distributed to the students when the school re-opens.

We hope that these amendments to our rewards system encourage students to continue working hard and help to acknowledge their amazing efforts during this unprecedented time.

Yours faithfully

A handwritten signature in black ink, appearing to read "V. Humphrey", with a small flourish at the end.

**Miss V Humphrey**  
**Associate Director of Learning**
