

Tuesday 14 March 2023

Dear Parent/Carers

### **6th Form Provision on Industrial Action Day - Wednesday 15 and Thursday 16 March**

I am writing to outline the arrangements in place for our Year 12 and Year 13 students on Wednesday, 15th and Thursday 16th March.

As previously communicated, Year 12 will be completing online learning from home. We have put together a schedule of activities for students to complete that cover a range of important co-curricular areas. We will also like students to complete some independent study work for their subjects accessing materials provided by their subject teachers on the 6th Form Independent Study Google Drive that is accessible to them. The full schedule of activities will be shared with students via Google Classroom.

We would like Year 13s to attend school and to be on site for 9am. The delayed start will allow us to see what the staffing picture is and which lessons students will be able to attend as per their usual timetable. On arrival, they should go to the common room to be registered and they will be informed which of their lessons will be taking place with their usual teacher.

Students who will not have their timetabled lessons will be in the common room completing supervised study during Period 1 and 2. If their timetabled teacher is not at school after break time, they will be allowed to leave the site early.

Students will have their break as usual and lunchtime will be from 12:30pm to 1pm over the two days with Period 4 moving to 1pm to 2pm. The canteen will be providing hot food for students as required.

As we are in the pivotal last few months of preparation for Year 13s final exams, we want to highlight the importance of attending school this Wednesday and Thursday.

Should you have any further questions regarding arrangements for the day, please do not hesitate to contact the school.

Yours faithfully

Mrs J Gooch  
Assistant Headteacher  
KS5 Student Experience
