Welling School are launching an alumni network!

As a school, we want to reconnect with our former students so that we can keep in touch and let you know about volunteering opportunities that will benefit our current students. We want to show them the variety of pathways available to them after leaving Welling School and who better to showcase this information, than you!

We're working with education charity @FutureFirstOrg to set this up and all you need to do to get involved is sign up here: <https://www.futurefirsthub.org.uk/register/welling>

More information is on our website <https://www.wellingschool-tkat.org/> and if you have any questions please contact our Alumni Programme Manager at Future First – nia.morgan@futurefirst.org.uk

Former student?

Return to Welling School to inform our current students about what life beyond school is really like.

Sign up to our former student network to receive news, updates and invites to events. Once you're signed up there is no obligation to volunteer, you can get involved around your availability.
